

HOW TO BE A TITAN DURING REMOTE LEARNING:

Easy Steps for Daily and Weekly Success

1. CHECK GOOGLE CLASSROOMS DAILY!

Log in to each of your Google Classrooms and check for updates, assignments, or assessments. Due dates, recorded virtual lessons, and resources will be provided in this platform daily!

2. CHECK YOUR TEACHERS' DAILY OFFICE HOUR SCHEDULES:

OFFICE HOURS ARE POSTED ON THE CMSA WEBSITE AND GOOGLE CLASSROOMS.

Teachers will each hold 2 hours BETWEEN 9AM AND 4PM for virtual office hours every day during the week. You should try to remotely connect with your teachers during the designated times they provide. If for some reason you cannot engage during a specific teacher's hours, be sure to check Google Classroom for the recorded or posted version of the information given.

3. UTILIZE ANY DOWNTIME FROM 9AM-4PM TO WORK ON ASSIGNED CLASSWORK EACH DAY.

As of April 13th, the start of remote learning, students will be held accountable for engagement and classwork. Keep up with assignments, and be sure to engage with your teachers and classmates every day! All work that is incomplete will have to be made up to receive credit toward grade promotion.

4. COMPLETE ENGAGEMENT FORMS EVERY FRIDAY.

Each Friday you should complete the following "Check-In Forms" to count your weekly engagement and update us on your overall well being.

5. KEEP LEARNING AND REACH OUT TO YOUR TEACHERS, ADMINISTRATORS, AND PEERS!

Watch for updates and communication from CMSA, and more specifically, your teachers.

Teachers and administrators will all hold office hours each day should you have any questions, need any technology or resources, or anything at all. Do not hesitate to contact us, we are here for you!

respectful, responsible, safe!
